

Our program instills important values that mirror the “Fruit of the Spirit” such as:

- Good manners, caring, sharing, patience, responsibility, as well as communication and teamwork.
- We believe children learn best through play, these are the times that Children will grow and discover the most! We emphasize dramatic play and hands on learning activities to foster a highly interactive learning environment where children are challenged as they enjoy the learning process.
- Our students are loved and well cared for. They have a consistent schedule with high quality teachers which will ensure maximum growth in all areas of their emotional, spiritual, social, cognitive, physical and creative selves.
- Our program is Christ centered with age appropriate curriculums. Our teachers will plant and nourish the essential first seeds of faith while facilitating children’s growth based on each child’s individual developmental level.

Heart of Little Lamb's Preschool & Child Care Mission...

To “Sow Seeds” of Love, Security and Stability, while planting seeds of faith. To create an environment where children thrive as they grow and develop. To provide a place where parents feel confident and assured that their children are safe and their lives are being enriched while in our care.
